

pack for the road trip to New Jersey

This leg of your journey will depend on your travel arrangements and your travel distance. If you have any questions please don't hesitate to contact someone from the City Reach board.

pack for Saturday – Thursday

Saturday will be a pretty active day. You will be at the beach all afternoon and into the evening, so plan to pack a bag of appropriate clothes for this event. Sunday we will be worshipping with Grace Baptist Fellowship. Monday through Thursday will have several different elements; including worship and service! Remember your payment covers lodging, transportation, and meals while in Swedesboro, NJ.

pack for the road trip home

Make sure that you save some clean comfortable clothing for the trip back. Again this will depend on your travel arrangements and distance.

clothing

general: June weather in Swedesboro is normally highs of 81 and lows of 64. Please keep this in mind. It would be a good idea to pack a light jacket or long sleeve shirt for the mornings. You may wear shorts to almost everything we do. With all clothes the guideline is modesty.

work & activities: If you will be working, playing or doing any athletic activity you must be wearing fully covered shoes. You will not be allowed to wear flip-flops during these times. Also remember to pack sunscreen. You will most likely be in the sun a lot. Monday – Thursday everyone will be required to wear short sleeve shirts during the day; no tank tops, spaghetti straps, etc.

worship: During worship the same guideline applies: modesty. Make sure it honors Christ and does not take the attention off of Him. Please wear jeans or pants to Worship on Sunday.

toiletries

All personal hygiene items will be needed (toothbrush, soap, shampoo, etc)
A couple of towels, washcloths

*Most likely there will be washing machines for additional cost.

bedding

- Pillows
- Sleeping bag or sheets & blanket
- Alarm clock

stationary items

- Bible
- Pens
- Journal

medicines

Any medication that is needed should be left in the prescription bottle with the label from the drugstore on it. If you have contacts make sure you have your stuff and bring an extra pair. Bring glasses just in case. Consider extra pair if you wear one already.
